

## Commitment 2024

Fall is traditionally a time to give thanks and to reflect on God's goodness towards us. Being thankful is a state of being—an attitude of the heart—that grows out of our relationship with Jesus, and is a central characteristic of what it means to follow Him. However, the other side of being thankful is equally important: Being willing to share our blessings with others. In fact, Paul tells us in Acts 20:35 that "...it is more blessed to give than to receive."

Generosity is an attribute of God, and we are never more like Him than when we give! I encourage you, in this season of thanksgiving, to consider all that God has given you, and then let your gratitude overflow into generosity toward others.

To help you do this, you are invited to once again reflect on the commitment that you would like to make to God in and through *Living Waters* in the coming year by filling out the Commitment Card, included in the fall mail out at the Welcome Table, and returning it to church **next week, Commitment Sunday ~ October 27.**

If you have any questions or concerns, please speak to the Rector.
